Subject: Consistency determination?

Dan,

Do you have time today to get on a call with me? Per our regulations we sent the CZMA and NHPA state staff a copy of the public notice for the Kampachi permit along with associated documents. I got an email last Friday from Chris Stahl who is with the Florida Clearinghouse and is the one who coordinated with CZMA and NHPA staff. In his email he was asking if we were also wanting a consistency determination for NEPA.

I have no idea if this is something that actually needs to be done and I don't want to answer on your programs behalf. I can set up a quick call if you have time today.
